SAVE UP TO \$20 A GAME!

While
Supplies
Last!

Now you can get those games you've been wanting at a *fraction* of their normal price. We've slashed prices on *many items in our warehouse* because we *must reduce our inventory*. We're moving to larger quarters this summer and we don't want to move all that stuff. In addition, many of our games are going to be repackaged. But we still have hundreds of items remaining packaged in our old format — and *they must be closed out*. Games like GALACTIC EMPIRE, TREK-78, and others are being discontinued and will *never again* be available at such fantastic prices. All of the items shown here are available in *limited quantities only*. These spectacular offers are good only *while supplies last!*

Due to these *huge reductions*, no C.O.D. orders will be accepted and our toll-free numbers will not be available during this fantastic sale.

Don't wait! To order, simply circle the items you want and return this ad with your check today to: **Automated Simulations**, P.O. Box 4247, Mountain View, CA, 94040. Or call: (415) 964-8021. Mastercharge and VISA cards are accepted. Please add \$2.00 for shipping and handling to your order. (California residents please add 6% or 6.5% sales tax.)

But hurry! The sale ends May 31.
